Connecting Our Stories

Friday, October 20, 2017 9:30 AM – 1:00 PM

Art Submission Guidelines and Labels

Teachers are encouraged to work with students to develop art projects around the theme, *Connecting Our Stories*. However, all artwork that meets the following criteria will be accepted:

- Dimensions: **Artwork should NOT exceed 14" X 18"**
- Type or print art label information below clearly and completely.
- Attach Section 1 to back of entry. Attach Section 2 to bottom right front corner of entry. Use glue or adhesive so it is secure.
- Identify instructional standard(s) addressed in the creation of the project.
- For 3D art, secure label to a display board beneath each piece.
- Use original materials to encourage the stimulation of student creativity.
- Matte all submitted pieces, using colored matte board, new construction paper or tag board. No faded construction paper, please! The matte should extend 2 inches beyond the border of the artwork to allow space for the VSA label.
- Add supportive backing, in addition to the matte, if material used is lightweight or flimsy.
- Do not use materials that could fall off the piece (i.e. rice, macaroni, beans, etc.)

Please duplicate labels as needed on white paper or cardstock.
